Hi – I don't have anything newer to add.

In case you haven't already gotten the RCRA permit for Evoqua, which Deldi references below, here's a link to the Statement of Basis. In the Appendices, you'll find the NHPA determination as well as the "EJ findings"

Hope this helps,
Fatima

Jean – attached are the documents I think of as the "templates", but I'm copying Fatima Ty of our office who may be even more up to date than I am and may have some more info. Good to hear from you, don't hesitate to call or write.

Richard, I have a favor to ask. Is there any way you can forward the template that was developed for permitting under EJ2020 to me? Thanks so much!

Jean thanks for your recent voicemail, my apologies for not getting back to you sooner.
